required  
Everyone is  
welcome!

As part of UNESCO-IICBA's Japan-supported project, Youth Empowerment for Peace and Resilience Building and Prevention of Violent Extremism through Teacher Development for Sahel Countries, a total of 21 trainers and policy administrators will travel to Tokyo and Hiroshima, Japan to undergo training, visit relevant government departments, participate in discussions and attend lectures. At this country reporting sessions, participants from the 11 participating countries will share about their home country. Their country reports include education system, situations in areas of youth, peace and violent extremism, and interventions in those areas.
