As part of UNESCO-IICBA's Japan-supported project, Peace and Resilience Building and Prevention of Violent Extremism (PVE) in Africa through Teacher Development, a total of 22 trainers and policy administrators will travel to Nagasaki, Hiroshima and Tokyo, Japan to undergo training, visit relevant government departments, participate in discussions and attend lectures. At this country reporting sessions, participants from the 12 participating countries will share about their home country. Their country reports include education system, situations in areas of youth, peace and violent extremism, and interventions in those areas.
