The Centre for the Study of International Cooperation in Education (CICE) will hold “HU-USM STUDENT COLLOQUIUM 2019” from December 9th to 13th. Universiti Sains Malaysia (USM) is one of the most well-known universities in Malaysia. HU students and USM students will present about their studies in English on the 9th and 10th. The presentations will also include discussions. We are looking forward to seeing those who are interested!

※ • You are free to enter or leave at any time during the presentations

- No reservation required
- The latest information about the colloquium will be available through the CICE webpage
- Handouts for the presentations will not be provided
