

The General Assembly of A-A Dialogue Network Phase V, June 11-13, 2019

The A-A Dialogue Network held the first General Assembly of Phase V on June 11<sup>th</sup> in Hiroshima. The Secretary of AA-Dialogue Network, Prof. Kazuhiro Yoshida of Hiroshima University, gave opening address followed by opening remarks by representatives of collaborative organization by MIWA Yoshihide (Director, Office for International Strategy Planning, International Affairs Division, MEXT, Japan) and Motonori Tanaka (Deputy Director General, JICA Chugoku). This year, 35 participants (Africa: 19, Asia: 9 and Japan: 7) from 27 universities attended the General Assembly in addition to members of Hiroshima University. Participants reported activities conducted during June 2018 –May 2019 and adopted Action Plan for June 2019-May 2020 on June 11<sup>th</sup> and 12<sup>th</sup>. The member strengthened friendship and collegueship, and made stress on self-reliance mindset more than ever through the General Assembly.

The participants then worked in each thematic group on June 12. In this year, the participants re-designed these groups as follows.
