December 26 2012

Dear Sir/Madam

On behalf of the co-hosting organizations, we are pleased to invite you to the Tenth Japan Education Forum (JEF-X), which will be held at the Assembly Hall of Ministry of Education, Culture, Sports, Science and Technology (MEXT), Tokyo, on February 7, 2013.

Japan Education Forum (JEF) is an annual international forum that began in 2004 as part of a new educational cooperation initiative by the Japanese Government and universities

As we are all well aware, the endeavor of international cooperation in education places a high priority on achieving Education for All (EFA). While encouraging progresses are being made recently for universalizing the primary education, many difficult challenges remain to be addressed. Thus, the target year 2015 is prompting us to implement many difficult reforms for educational development in a short period of time. JEF-X will present you with issues of “Challenges Faced by Teachers: Toward Expanding Basic Education of Good Quality”.

We would like to invite you to participate in this forum. Enclosed, please find the program and pre-registration form. We kindly ask you to return the form to the JEF Secretariat at Hiroshima University by either e-mail or fax to confirm your attendance by January 31, 2013.

Should you require further information, the secretariat will be pleased to answer any questions that you may have via fax (+81-82-424-6913) or e-mail (japaneducationforum@yahoo.co.jp).
